WARRANTY

This Des Sol Long Range Tank Warranty is valid for a period of 3 years. Please see individual Long Range Tank Accessory Warranty periods as detailed in the chart below.

The 3 year Warranty covers the entire Long Range Tank and associated Mounting Brackets and Bolts / Nuts as supplied by Des Sol. This Warranty covers the original purchaser of the Des Sol Long Range Tank only.

The Des Sol Long Range Tank Kit must be installed according to the Des Sol fitment instructions. Mounting the Des Sol Long Range Tank Kit using any other mounting system or brackets will void the warranty.

ACCESSORIES

Original Des Sol Long Range Tank Accessories are guaranteed for a period of between 2 and 5 years of ownership by the original purchaser as per the table below. Damage to the Des Sol Long Range Tank by fitting other aftermarket accessories will not be covered by this Warranty.

ACCESSORIES - WARRANTY

Accessory Type	Purchase Date	Invoice Number	Warranty Period	New (Y/N)
Fuel Pump and Sender Unit			2 Years	N - Transferred
Roll Over Valve			2 Years	N - Transferred
Carbon Canister			2 Years	N - Transferred
Ancillary Piping			2 Years	N - Transferred
Viper Mid Section Exhaust			2 Years	
Viper Free Flow Exhaust			5 Years	

Note: The above Accessories will only fall within the Warranty period if replaced "as new" together with the Long Range Tank as a single installation with associated Purchase Date and Invoice Number added. Accessories that are "carried over" from a Suzuki Jimny OEM Tank such as Fuel Pump and Sender Unit and Ancillary Piping etc. will not be covered under this Warranty
