WARRANTY

The Des Sol Rack-Tech Roof Rack Warranty is valid for an initial period of 5 years, with an extended Limited Lifetime Warranty covering a lifetime of use by the original purchaser.

FIVE YEAR WARRANTY

The initial 5 year Warranty covers the entire original Roof Rack and Mounting Brackets as supplied by Des Sol for aluminium oxidation, fair wear and tear but excludes excessive abrasion, gouging, chips and dents. Des Sol may at its discretion replace all or part of the Roof Rack sub assembly. **Note:** This corrosion protection process conforms to both military and aerospace specifications improving the adherence of the final epoxy coating to the aluminium. See coating specification details below.

EXTENDED LIMITED LIFETIME WARRANTY

The Extended Limited Lifetime Warranty covers the original purchaser of the Des Sol Rack-Tech Roof Rack for lifetime use. The Roof Rack Kits must be installed according to the Des Sol fitment instructions. Mounting the Rack-Tech Roof Rack using any other mounting system or brackets will void the warranty.

ACCESSORIES

Original Des Sol Rack-Tech accessories are guaranteed for a period of 3 years of ownership by the original purchaser. Damage to the Des Sol Rack-Tech Roof Racks by fitting other aftermarket accessories will not be covered by this Warranty.

ACCESSORIES LOG - 3 YEAR WARRANTY

Accessory Type	Purchase Date	Invoice Number
Ladder		
M8 SS Eye Bolts*		
Spare Wheel Carrier

Spade Holder		
Bottle Opener		

Accessory Type	Purchase Date	Invoice Number
Camping Table		

UNIQUE 6 STAGE COATING PROCESS

Stage 1 to 5 - Chromate Conversion, Hexavalent chromium compounds are used to block off Nano capillaries in the aluminium to improve the corrosion resistance. This corrosion protection process conforms to Military Specification MIL-DTL-5541 and Aerospace Coating Specification ISO 8081:1985 improving the adherence of the final epoxy coating to the aluminium.

Stage 6 - epoxy coating.

* 8mm Anodised Nylock Nuts are not covered by this Warranty
